## Ground Transportation

[Back to Homepage](#)

Attendees will need to arrange for transportation between the Nashville Airport and the Gaylord Opryland Resort.

Several options exist. They are as follows:

- Airport Shuttle
- Ride-sharing service, Uber/Lyft
- Taxi

### Pre-Planning:

Attendees may pre-plan their ground travel by reserving an airport shuttle if they choose. The shuttle runs every 30 minutes between 7:00 am and 6:00 pm. You can learn more about this service and reserve your shuttle by clicking the link above.

### Estimated Cost:

The Airport Shuttle is \$35.00 round trip per person. A senior discount can be applied for a cost of \$32.00 round trip per person.

Ride-share estimates vary depending on your time of arrival. Expect between \$17.00 & \$20.00 one-way for standard ride-share vehicles. Taxi service may be higher.

### Reimbursements:

Ground travel between the airport and hotel is reimbursable up to \$40 per member. Travel between your residence and airport is also reimbursable. However, as noted in the most recent Travel Policy (updated July 2019), members are encouraged whenever possible to consider the most cost-effective means of transportation (typically ride-share).
